It's hard to believe but my first photo shoot was at 48. I was always kinds shy. Even though my parents were very outgoing, they were very strict with me at home. Very protective of their daughter.

As I got older, that was the kind of man I was attracted to, but, problem was, I was starting to want to be more liberated.

Claudia

Sex provided that outlet and I got more adventurous over the years. Fortunately for you guys, now, it's all I think about."

One woman's trash is another man's treasure

What I'm going to reveal is probably something I should keep to myself, but since I remain anonymous, I guess there's no harm in sharing my story with your readers. Maybe they'll get off on it is much as I do.

I own a couple of houses that I rent out, One is located across from the community college, so I often get students as tenants. I was shocked, no... pleasantly surprised, when one of the tenants was such a pervert that she put a hidden camera in the apartment. I found this all out, when after she moved out, she had left a small spy-type camera in her bedroom, along with a few other things she didn't want to take with her. There were some books thrown in the corner, an old thrift-store dresser, and some used sheets and towels thrown in the other corner.

Thanks to a buddy of mine who helped me clean the place out, he found a few CDs in one of the dresser drawers. One said 'Music' and two just had dates on the surface - 6/2/16, and

Nice Ass, Zoey:

I've been an ass man all my life. I remember being really turned on by beautiful full butts, when I was at a college frat party over 30 years ago. The frat house had a big pool in the back and there were some wild parties back there. Topless was a staple, so boobies were no big deal, but when we threw thong and g-string parties, I waltzed around the pool looking at coed booty with a hardon, but tried to keep it hidden, after all I did not want to get reported and lose party privileges. So now I'm much older and women my age just don't have the round firm butt that younger women have. Then I saw your Zoey cover and I was pleased to see the curve of her behind, assuming it wasn't Photoshopped. I bought the issue hoping there was more inside and I was quite pleased. Thank you for nice behinds.

— Grayson, Baltimore

2/12/17. I was ready to toss them when he said we should check them out, especially since she had that camera up in the corner. We went back to my place after we finished, cracked open a couple of beers and sat back to look at the CDs. I put the first one in and fast-forwarding through it, really saw nothing too provocative - a chick masturbating at the most. However, that changed when I put the second one in.

The two babes were each about twenty and super cute. One was a bleached blonde and the other was a long-haired brunette. The short blonde had a tight body, while the brunette is tall and athletic with a nice round butt and big boobs. I had the feeling that our luck about to change and sure enough I was right.

For the first couple of minutes of the CD nothing much happened. The two seemed to just be hanging out together for some girl talk. However, as the minutes passed, that situation changed. What I viewed was so hot that I'm still walking around with hard on almost a week later.

The action began with the

two girls, most likely drunk from bar hopping, sitting next to each other on the bed. After a few minutes of giggling and joking around the blonde moved closer to the other girl. She put her arm around the brunette's shoulder and then pulled her a little closer. Then the brunette leaned over and kissed the blonde squarely on the lips. Finally, it was the action we'd been hoping for! High five!

The brunette held the blonde's head firmly in her hands and began French kissing her furiously. Their heads undulated in rhythm as the two young chicks tongued back and forth. Then, the blonde pushes the brunette down on the bed, and began removing her clothes. First it was her shoes and socks. Next, she pulled off blonde's jeans while blonde helped matters by taking off her T-shirt. She had no bra on, and her pert, young boobs bounced freely, topped off by erect pink nipples.

Once blonde had her friend naked, she knew exactly what to do. I guess this wasn't her first time at the rodeo, because she let her tongue trail up her friend's legs, beginning on top of her foot. By the time her long tongue was caressing the brunette's thighs, the brunette was playing with her nipples, and I could see her lips mouth the words, "Yeah baby, eat me."

My buddy and I watched in amazement and great arousal as the blonde began eating her friend's pussy. She was very good at it, not to mention very precise. Her tongue glided effortlessly between the labia. She then delved inside the brunette's pussy, which was glistening visibly on camera. Blondie also sucked on her partner's clit, at the same time using a couple of fingers to manipulate her buddy's love tunnel.

After a couple of minutes of this, the brunette was writhing on the bed in an obvious climax. Then blonde inched up the bed and to begin kissing again. I was so lucky that I got to see them sharing the taste of wet, juicy pussy. After hugging, we watched as the blonde taking off her friend's clothes. The tall brunette was built to stop traffic. She had it going on all in the right places. The

brunette started sucking on her friend's big boobs, and made the nipples pop out like giant erasers. She worked her hand between her buddy's thighs and began pushing her fingers in and out.

It was so sexy watching the blonde shake, with her eyes closed and her head weaving from side to side. Then the brunette turned her friend over and began kissing her glorious butt. Blondie went wild and so did I watching the action, forgetting it was on a CD. I felt as if I were right there next to the action.

The brunette repositioned blonde and this time she was the one showcasing oral talents. She licked her pussy in small circular motions. Taking her time, as her tongue caressed every inch of wondrous pinkness. We watched the blonde palpably building up to a cataclysmic or-

gasm. And that it was. The bed shook as she writhed all over the mattress finally calming down after a couple of long minutes. When she moved aside there was a large, visible wet stain left on the mattress.

The girls decided to chill after that. Still naked, they cuddled, kissed a little more, and then went back to downing a few shots and giggling. As for me and my buddy, we spent the rest of the morning rewinding the tape, watching and winking like men possessed. I've watched the scene each day since. But what I thought was kinda strange is that watching these two screw was not like watching a porn video. Even though the camera position did not move, it did not matter. They were having real sex, not staged.

— Barry, Long Island

The ride down

As usual, I had been working late and the office was all but deserted, save the night crew and some security people. As usual, I dreaded riding the elevator down forty floors by myself, but I had no choice. The bell dinged to say the elevator doors were opening. When they opened, standing there was, the new girl from the accounting department which was on the floor above. A lot of them worked late hours, too. I was thankful for the

company and even more so when I saw how attractive she was.

She smiled and stepped aside for me to get in the elevator. "Hello." I said as I entered the elevator.

"Brenda, isn't it?" I hoped I was correct and it wasn't something like Sylvia.

"And you are. . . ?"

"Theresa." I said.

Having seen her before at company meetings, I had a crush on this woman for a while. I found myself admiring her cleavage as it peeked from behind the folds of her blouse. Instinctively, I closed my legs tightly to keep from being overcome by the lustfulness her body inspired in me. I couldn't help it but my pussy was growing damper by the second. I hoped the elevator ride would be quick or I feared I would succumb to my baser sexual instincts.

The doors closed and with a jump the elevator thrust downward flinging Brenda and me into the corner of the cab. We looked into each other's eyes and communicated our need without words. I ran my hands through her hair as I moved to kiss her. Roses and lilac fragrances lingered on her body, evoking images of lush gardens while I ex-

plored her mouth with my tongue.

Brenda was right on it, too. She lifted my skirt and peeled back my panties to finger my moist pussy. I had no problems releasing her breasts from her pale pink sleeveless top. Her nipples were hard as candy and I greedily suckled them enjoying their sweet flavor. Her fingers encouraged the dampness between my legs as they plunged deeper into me and explored the walls of my pussy.

The movements of her fingers were hitting nerves along my cavern, sending waves of ecstasy throughout my being, and leaving me with no escape from the oncoming rapture. The tingling warmth fanned out from my clit to the tips of my toes as the pleasure shook me. The juices es-

caped my body in waves down hers hand and forearm.

Brenda had begun to rub her swollen clit against my thigh and I could feel her nectar sliding down my leg. Her arms encircled my waist and pressed my body against her, grinding her pussy into my thigh harder. Her moans of pleasure were loud, encouraging my desire. I ran my nails down her back while I moved my thigh up and down to drive her over the brink. Her hand pressed the back of my head; it forced me to devour her breast with lips and tongue.

The intermittent licking and biting of her nipple drove her wild as I thrust my finger inside of her. She jumped forward from the sudden sensation of pleasure and I pulled her leg

higher up on my hips to allow me better access to her moist canal. I slid all four fingers inside of her, opening her more and more, until her pussy welcomed then all. I moved it slowly in and out of her in circular motions pressing her engorged clit hard against my leg. I had her at my mercy, her only choice was to surrender her body to the pleasure it needed.

Her body shuddered and I could feel her slippery juices envelope my wrist as she steadied herself with elevator cab's rails. She released moan after moan in a desperate attempt to continue the subsiding torrents of ecstasy. After she was utterly spent, she lowered her leg and we smiled at each other as we straightened our clothes. Just as we finished the bell went off and the doors opened. The two of us stepped off the elevator into the lobby.

"Good night, Mr. Hennesy." We said in unison as we waved goodbye to the night watchman.

- Theresa, Chicago

I enjoy sex toys, all

Sex is always on my mind. I'm like a college boy sometimes, always horny and ready to do it. I'll warm myself up by playing with my clit and boobies.

Nela

Then when I'm all wet, I'll take that cock of yours and guide it into my dripping wet pussy and let you fuck me until it dries up. And that could take a very, very long time. Wanna try it?

I love one-night stands. But I'm careful with who it is, usually it's someone I know or want to get to know. And when I bring them home they know they're gonna get a good fucking. I'll start with cooking a homemade dinner, some good wine and a great blowjob. Then I'll take them over to the sofa and strip them and myself naked and sit my tight pussy down on the hard cock. Then we'll fuck until I kick them out.

*Why is swimming like sex?
When it's good, it's really, really good. And when it's bad...
it's still pretty good.*

it's more than a big puddle of water

pool partied...

THERE'S A TIME WEHN YOU GET WET – OR WHEN WET GETS YOU

Fifty year old Laura had been working for only five months at the senior health club when she had to fill a couple newly vacated slots: a woman's personal trainer and the swimming pool maintenance person. Interviews started on Monday and by Tuesday the personal trainer spot had been filled. Jessica just moved into town from Columbus where she had been a trainer. A perfect hire for here she thought. The second hire proved a bit more difficult to fill and with few applicants, it was over a week before Jonny came in. Anxious to fill the spot as soon as she could, she hired Jonny.

He was a surfer-looking guy, just under six feet she figured. He said he was a pool cleaner for his dad's business, but couldn't stand working for 'his old man.' It was time to break away from the fold and he was willing to do anything to do the job she expected. They agreed to the salary and set him up to start next Monday. He stood up to thank her and she got a whiff of his cologne, instantly arousing her senses. She played it off as nothing at first but the lingering aroma

filled her senses and she thought about him throughout the day – each time she came back to her office.

Laura had worked late as usual for a Monday. It was after eight pm and she decided to go for a swim in the pool. No one was there and her tension from the day needed to be released with a little exercise. Laura hadn't brought a bathing suit and thought nothing of going in naked. She undressed in the ladies locker room, grabbed a towel from the laundry room and walked into the pool area. She dipped slowly into the shallow end and thought about the day, New members, the air conditioning breaking down, some of the equipment failing. But that was all part of the day's frustrations. Although most of the problems were not hers, she couldn't help but get drawn into the dramas of the day.

She sat at the edge of the pool for a while, but felt it wasn't relaxing her. She stood up, grabbed her towel and headed for the whirlpool bath. She put one foot in and gasped at its hotness. She

She jumped up out of the water and ripped off his shirt, kissing him roughly. She unbuttoned his pants and pulled them down and off him. Soon Laura had him completely naked.

put in her other foot and slowly lowered herself into the steaming tub. She turned the jets to high. Relaxing against a jet and after settling into the submerged seat. The bubbles frantically moved around her hot body, every bubble tingling every inch of her body, sending waves of pleasure into her. She started to move across the hot tub and then put her legs up in front of the most powerful jet by the railing and

Suddenly she heard a door close at the other end of the pool room. It was Jonny. He was starting to work on his first night. Across the pool stood Jonny, mouth open, just looking at his boss turn into a screaming banshee. She sat up and asked how long he had been standing there. He answered that it was just long enough and walked over to her by the edge of the whirlpool. Laura's worried expression faded as he started undressing. He

unbuttoned his shirt, smiling and looking deep into her brown eyes. He took forever it seemed, and she couldn't stand it much longer. She jumped up out of the water and ripped off his shirt, kissing him roughly. She unbuttoned his pants and pulled them down and off him. Soon Laura had him completely naked. His chest was flawless and he had a six pack with beads of water dripping down them. Her eyes gazed lower, down to his manhood. His cock was standing at attention, saluting her gaze and beckoning her mouth to kiss it.

spread her legs, wide. She let the water flow ease away her tension and send waves of pleasure across her pelvis. The water flowed in a storm over her pussy, making her lips vibrate her clit. She rubbed her hands up and down the front of her body, adding her own massage to the water's.

Laura held onto the raised edge of the pool and floated herself in the bubbles while she massaged her boobs and let her hand slide down between her legs. Soon she started moaning, ooh's and ahhs at first, but very soon she started moaning louder. Her noises started out as a whisper, but as she got closer and closer to orgasm they got louder and louder. She let out one last loud whimper and she was done. She relaxed back into the pool and turned down the jets.

Laura could no longer hold back and reached for his cock, he was so hard she moved her hand slowly up and down and applying a stronger grip with each movement. Laura slowly moved her mouth down his chest and onto his cock and gently licked the head making circular motions together with her firm grip moving up and down his shaft. She moved her hand down to his balls and gently massaged them. She placed her tongue on the bottom of his shaft and slowly she went up to reach the top. She then lowered her head placing his cock inside her mouth. Her head slowly went up and down. As if a switch went off, her head was going up and down with incredible speed. Her lips had a strong grip of my cock. She placed her hand on the base of his cock and went even faster. He never had a

woman play with his cock with such vigor and tenacity. Jonny watched as her head bobbed up and down. He groaned louder and found it hard to support himself standing. He lowered himself onto the edge of the pool, feet in the water. He moved his hand to Laura's pussy where he ran his fingers over it and slipped his index finger inside her. Her vagina was wet and soft as he circled her clit with his finger numerous times, sliding up and down. Then inserted another finger into her ever so gently. Laura was on brink of coming so many times but held back because it felt so good.

Jonny gently laid Laura on the floor next to the whirlpool and took her towel and laid it under her head. He circled her nipples with his tongue and moved down her stomach towards her vagina. He stopped at her belly button and circled it with his tongue gently biting her. Laura gasped and looked at him with wild excitement. He moved quickly to her pussy and still fingering her slid his tongue into her circling her clit. He licked her quickly and stopped, and then repeated the action. Laura could feel herself close to climaxing again but she so wanted him inside her and pulled him towards her body.

Jonny got out and pulled Laura to her feet and lifted her so that both her legs were around his hips and guided his cock into her hungry pussy. Laura leaned back to take him, Jonny was thrusting into her first slowly and then the pace quickened. Laura could feel the herself starting to climax and ran her fingernails along his back, the climax was amazing and Laura began to thrust herself against Jonny. She let out a loud moan as he hit regions deep within in her that no man had ever done. He slid in and out a few times and then reached his hand down, stroking her clit. He found the hard little nub and used his thumb to circle the hood over and over again. This sent Laura into a great daze, she started grunting like an animal and started scraping her fingernails into his back. She moaned louder and louder, driving Jonny wild. He slapped her ass hard,

again and again, the sound of it rippled and resounded throughout the large vacant room.

Both of their legs started to give way as he rammed his long shaft again and again into her tight pussy. He moved his fingers up towards her nipples pinching and squeezing them. He noticed that Laura was coming

very close to orgasm and rammed her up against the wall. The tile dug into her back and she arched backwards, letting Jonny's hard cock go deeper and deeper. She moaned and screamed louder and louder. She wrapped both legs around his waist not being able to get enough of his huge love meat.

Jonny thrust his hips forward one last time shooting his cum into her. Laura screamed one last time and orgasmed. Her pussy walls closed around his dick, milking it for all it was worth. She threw her head back and moaned. Jonny finished cumming and grunting and kissed her lips. Laura regained her balance and put her arms around his neck, making the kiss deeper. Their tongues exchanged passionate touches and their hands wandered across each other's sweaty bodies.

Not a word was spoken between the two, but the next day Jonny was promoted to Laura's personal assistant and immediately took the day off to visit his girlfriend.

dōTERRA MEN'S TOILETRY KIT

These statements have not been evaluated by the FDA. This product is not intended to diagnose, cure, or prevent disease. Individual body chemistry will affect the results of each oil. Certified pure therapeutic grade essential oils are very potent. Do not use CPTG essential oils past your own understanding. Work with your Wellness Advocate closely until properly educated and confident with your ability to safely use essential oils.

* The dōTERRA business opportunity is robust and growing. While the majority of Wellness Advocates are focused on the use of essential oils for the benefit of their family and friends, for those Wellness Advocates that desire to focus on the building of "for-profit" business by working full-time in achieving the leadership ranks, there is a significant business opportunity as noted above. Of course, each Wellness Advocate's results will depend on the time and effort they put into building their own dōTERRA business.
